The City will provide HRA Benefits to employees who retired prior to August 1, 2011 as set forth on the following pages.

The City and retirees' counsel have reached a settlement in principal with counsel to the retirees to provide certain qualified retirees with funded HRA accounts. That agreement still needs to be ratified by the retirees in order to be enforceable. If and when such an agreement is ratified and executed, the Second Amended Plan will be modified in order to incorporate the agreement by referenced.

Plan Concerning Health Care for Retirees and Survivors Who Were Enrolled in the City's Health Insurance Plan on August 1, 2011, and either (i) Were 65 Years of Age on August 1, 2011, or (ii) Shall Turn 65 Years of Age Between August 1, 2011 and June 30, 2016

The City of Central Falls will create employer-sponsored plans for retirees and survivors who were enrolled in the City health insurance plan on August 1, 2011 and either (i) were 65 years of age on August 1, 2011, in which instance they would qualify for HRA Plan 1, or (ii) shall turn 65 years of age between August 1, 2011 and June 30, 2016, in which instance they would qualify for HRA Plan 2.

HRA PLAN 1: The City will establish as "HRA Plan 1," a \$2,400 plan year allowance in an Health Reimbursement Account (HRA) for those retirees and survivors who were (i) enrolled in the City's health insurance plan on August 1, 2011, and (ii) were 65 years of age on August 1, 2011. The City's obligation to fund HRA Plan 1 shall expire on June 30, 2016. A complete list of the retirees and survivors who qualify for HRA Plan 1 is annexed hereto as Exhibit 1.

HRA PLAN 2: The City will establish as "HRA Plan 2," a \$1,200 plan year allowance in an HRA for those retirees and survivors, who were (i) enrolled in the City's health insurance plan on August 1, 2011, and (ii) shall turn 65 years of age between August 1, 2011 and June 30, 2016. The retirees and survivors will receive a pro rata portion of the \$1,200 plan year allowance for the year in which they turn 65 years of age. The City's obligation to fund HRA Plan 2 shall expire on June 30, 2016. A complete list of the retirees and survivors who have qualified or will qualify for HRA Plan 2 is annexed hereto as Exhibit 2.

These employer-funded benefits may be used for qualified health care expenses and eligible services for the retiree and tax dependents as outlined in IRS Publication 502 below. London Health Administrators, Ltd. will administer the plan with all costs being borne by the City. Starting July 1, 2012, plan years will commence on July 1 and end on June 30 of each year. The plan prohibits roll-overs of yearly allowances.

Retirees and survivors that do not qualify for HRA Plan 1 and HRA Plan 2 shall not be qualified for any health insurance benefits from the City.

Insurance Premiums

Qualified retirees and survivors can include in medical expenses insurance premiums that they pay for policies that cover medical care. Medical care policies can provide payment for treatment that includes:

- Hospitalization, surgical services, X-rays,
- Prescription drugs and insulin,
- Dental care,
- Replacement of lost or damaged contact lenses, and
- Long-term care (subject to additional limitations). See "Qualified Long-Term Care Insurance Contracts" under Long-Term Care, later.

If qualified retirees and survivors have a policy that provides payments for other than medical care, they can include the premiums for the medical care part of the policy if the charge for the medical part is reasonable. The cost of the medical part must be separately stated in the insurance contract or given to you in a separate statement.

Background information:

The Medicare wrap around is a "guaranteed issue" market so no questions on pre-existing conditions and the retirees can choose the plan that best fits them. There are Medicare HMO plans at \$0/month. They could choose that and save their money to pay office visits or deductibles. For BCBS HMO plans on individual market, see:

Retirees and survivors can also see the wrap around plans that they can choose from on the BCBSRI website. <https://www.bcbsri.com/BCBSRIWeb/plansandservices/PlansforPeoplewithMedicare/index.jsp> and click on Plan 65 for Individuals.
